

SUGAR MEN FIGHT THE PHILIPPINES

[SPECIAL CABLE TO THE ADVERTISER.]

WASHINGTON, Jan. 4.—Oxnard urged the President yesterday to use his influence against the bill reducing the tariff on Philippine imports to twenty-five per cent of the Dingley rates. He says he fears great injury to the sugar interests from the tariff reduction. He is now more anxious to avoid danger from the Philippines than to beat the Cuban reciprocity treaty. Many public men are of the opinion that the beet sugar and Havemeyer interests are one, and that Oxnard is representing Havemeyer here.

Senator Lodge introduced in the Senate the bill to amend the act to provide revenue for the Philippine Islands which was approved March 8, 1902. This provides that there shall be levied, collected and paid upon all articles coming into the United States from the Philippine Archipelago, the rates of duty which are required to be levied, collected and paid upon like articles imported from foreign countries, provided, that upon all articles the growth and product of the Philippine Archipelago, coming into the United States, there shall be levied, collected and paid only twenty-five per centum of the rates of duty aforesaid, and that the rates of duty which are required to be levied upon products of the Philippines shall be less any duty or taxes levied, collected and paid thereon as provided by the Act of the Philippine Commission under such rules and regulations as the Secretary of the Treasury may provide, but all articles the growth and product of the Philippines admitted into the ports of the United States free of duty under the provisions of this Act, and coming directly from the Islands to the United States for use and consumption therein, shall be hereafter exempt from any export duties imposed in the Philippines.

Crown Princess Elopes But May Be Reconciled.

[SPECIAL ASSOCIATED PRESS TO THE ADVERTISER.]

VIENNA, Jan. 4.—Reports received from sources closely connected with the Court of Saxony, tell of a possible reconciliation between the Crown Princess of Saxony and her husband.

BERLIN, Dec. 22.—German royalty is shaken to its foundations tonight by the announcement that the Crown Princess Louise of Saxony deserted her husband and family on the night of December 11th, renounced her rights to the Saxon throne and fled to parts unknown.

VIENNA, Dec. 23.—The eloping Crown Princess of Saxony has been found, but the discovery of her whereabouts has only added to the embarrassment of the court, for she is at Geneva, and with her is not only M. Giron, the French tutor of her children, the discovery of whose letters enraged the Crown Prince, but also her brother, Leopold Ferdinand, Archduke of Austria and Tuscany, who has also renounced his rights and titles of a Prince of the House of Hapsburg, and intends to marry Marie Adamovic, an untitled though noted beauty.

All courtly Europe is aflame with the most stupendous royal scandal since the tragedy of Meyerburg.

The woman who would have been Queen of Saxony is now a quiet resident at the Hotel Inglaterra, Geneva, registered as the Fraulein Von Oben. It is presumed that she will become Mme. Giron as soon as the Crown Prince has divorced her.

Forty Days for Round the World Trip.

[SPECIAL CABLE TO THE ADVERTISER.]

VIENNA, Jan. 4.—Railroad men say that a journey around the world may be made in forty days by next year, depending upon the completion of the relaying of the rails of the Trans-Siberian railroad line.

All travellers who have passed over the Trans-Siberian line have insisted that it would be profitable to make better time with passenger trains. The average speed of the through trains is now not above fourteen miles an hour. The rails laid are very light and these now are being replaced by heavy rails of ninety pounds to the yard, somewhat similar to those in use in the United States.

You can have relief if you will follow the advice of this gentleman.

Mr. Frank Leibly of 326 S. Main st., Wilkesbarre, Pa., U. S., who says: "It is with much pleasure that I testify to the merits of Doan's Ointment in cases of itching piles. I suffered from that tormenting affliction for the past year. I tried nearly everything that was recommended to me and what I saw advertised, but I could get no relief. Finally I procured Doan's Ointment. After a few applications I was much relieved, and, continuing the treatment, I was soon completely cured. I have felt no signs of that intolerable itching since, and it is four months ago since I used Doan's Ointment. To say that I was delirious.
